OBJECTIVE

Aspiring Full Stack Developer seeking to leverage strong foundational skills in HTML5, CSS, JavaScript, and back-end technologies to develop innovative web applications. Committed to continuous learning and collaboration to contribute effectively to team projects and deliver high-quality software solutions.

EDUCATION

Bachelor of Technology (Electrical And Communication Engineering):

Sreenidhi Institute of Science and Technology ,Hyderabad

2020 -2024

Relevant Coursework: Data structures and Algorithms , Database Management Systems

CGPA:8.59

Intermediate:

Sri Chaitanya Junior Collage,Vijayawada

2018 - 2020

CGPA:9.8

SKILLS

Programming Languages	Python, JavaScript
UI Technologies	HTML5, CSS, Bootstrap5, JavaScript
Databases	SQL, MangoDB
Tools	Git,Github,vscode
Soft Skills	Problem-Solving,Leadership

PROJECTS

Project Title: The Burger Box

Technologies Used: HTML5, CSS3

Project Description: The Burger Box is a responsive web application designed to showcase a modern burger restaurant's menu and services. The project emphasizes clean design and user-friendly navigation, providing visitors with an engaging experience.

Efficient ML technique to predict the quality of white wine. Utilized Random Forest Regression, a robust machine learning technique, to predict the quality of white wine accurately. Leveraged strong analytical skills and data preprocessing techniques to handle complex datasets effectively.

Number Plate Recognition using MATLAB. Designed an Advanced Automatic Vehicle Identification System Utilizing License Plate Recognition for Enhanced Security and Efficiency.

CERTIFICATIONS

CCNP Cisco Certified Network Professional: Certified with advanced proficiency in designing, implementing, and troubleshooting complex network solutions across various technologies.

AWS Academy Cloud Architecting:Establishing a VPC Infrastructure to Optimize Cafe Business Operations.

EXTRA-CURRICULAR ACTIVITIES

- Participated actively in cricket and volleyball as extracurricular activities, fostering teamwork, sportsmanship, and physical fitness.

LEADERSHIP

- START CLUB Apr 2021- Apr 2022 Role : Project Leader
